Expected date of degree conferment	(M) _____ (D) _____, (Y) _____	
Dissertation title		

1. Contact information (Enter your permanent email address and telephone number that will be effective continuously after leaving the University.)

Email address: _____

Phone number: _____

2. Publication (Enter if the same content as that of the dissertation specified above was, or will be, published in a journal, as a book, or via a means other than OUSAR.)

Title of material (journal title, etc.)			
Volume	Issue	Pages	Date of publication (M/Y)

3. Are there any conditions for self-archiving and allowing open access to the dissertation data?

- No
 Yes

- I designate the date for allowing open access after (M) _____ (D) _____, (Y) _____.
* Specify the reason if this date is undecided or more than one year after the expected date of the degree conferment.
* If the date for allowing open access is undecided, leave the date blank. When it is decided, please immediately inform the library of the date.
- I do not provide open access to the full-text data for the reason stated below.

Reason:

4. Approval of academic adviser

Academic adviser name	Seal/signature

Notes regarding copyright

- If the dissertation was co-researched and/or co-authored, obtain consent from all the other researchers/authors in advance.
- If the dissertation contains copyrighted contents produced by others, complete the necessary procedures regarding their copyrights in advance.
