

The Largest Industrials in Canada, 1975-1982

Satoru Enomoto

As was shown in the previous volume⁽¹⁾, I will show you the largest Canadian industrials from 1975 through 1982 in this volume. Data are based on "the world top 500 largest industrial companies outside the U. S." from Fortune Magazine. In the last part, I will also show you the breakdown of the largest Canadian Industrials from 1957 to 1982.
